## ARE AGAIN CHAMPIONS

GLENDALE'S BASKETBALL TEAM WINS CENTRAL LEAGUE BANNER FROM COVINA

Again has the God of Success smiled upon the basketball team of Glendale Union High which, in a most exciting contest with the Covina team at Pasadena Tuesday evening, captured the championship banner of the Central League. So large a delegation accompanied the team that it almost seemed as if the audience was all Glendale, but Covina was well represented, too. For a considerable portion of the game the outlook was dubious for the Glendale players. At the end of the first quarter the score stood Covina 6, Glendale 4.

In the first half of the second quarter the two teams were tied, but in the latter half Covina again took the lead, the quarter ending with a score of 14 to 8.

At the end of the third quarter Covina was still ahead with a score of 16 to 12.

With defeat threatening, the Glendale players rallied all their forces and made a great spurt which reversed the positions of the two teams and brought the game to an end with the score reading Glendale 21, Covina 19.

The line-up was the same as at the last game except that in the third quarter Price substituted for Williams as center and Herman for Tumell as forward.

This victory makes the team eligible to enter for the Southern California championship. The elimination games for that contest have not yet been announced. Meanwhile the team will play a preliminary between season game with the San Fernando team, Friday.

## GOOD WORK REWARDS

NINETY-SIX HONOR PINS BESTOWED UPON STUDENTS IN GLENDALE HIGH

At the High School assembly Tuesday at the last period, announcements were made in regard to the championship basketball game the same evening and brief speeches were made by all the members of the team pledging themselves to do their best and to win the game if the student body would accompany them and inspire them. Enthusiasm ran high and the boys and girls scurried around to make arrangements to go to Pasadena.

The chief business of the assembly, however, was the bestowal of the honor pins upon students in the various classes whose credits entitled them to the distinction.

The idea back of the pin as a recognition of good work was explained by Miss Flood, Dean of Girls, who was instrumental in establishing the custom here five years ago.

The school is so large that it was quite a ceremonial and a noisy one as applause greeted each name announced. Following is the list:

### Class of 1921

Alfred Bowman, Arthur Campbell, Dean Culbertson, Virgil Drenberg, Francis Dreyer, Wilbur Johns, Lawrence McAtee, Carroll Parcher, Rudolph Reinschild, Harold Timothy, William Winfield, Constance Braasch, Gertrude Coward, Gertrude DuBois, Helen Engle, Edithmae Nelson, Helena Richardson, Nellie Rowe, Milena Richardson.

## NEW AUTO AGENCY

THE NEW ESSEX IS A STRONG CANDIDATE FOR POPULAR FAVOR

Leon J. Robinson, after many vexatious delays at last has his auto agency open for business. Mr. Robinson has had a wide acquaintance with the many makes and designs of automobiles and his deliberate choice of a machine that would best meet the needs of the greatest number of users was the Essex. Made by a company of world-wide fame the Hudson Motor Co., it combines all the leading features of the Hudson, such as silence of action, dignity of appearance and smoothness of operation with economy of gasoline, tires and initial cost. In fact, the Essex is the happy medium between the extremely high-priced and the low-priced cars. Its beauty of body, smoothness of action and durability make it the logical selection for a medium-priced car. To demonstrate such a car is a delight to the automobile lover and Mr. Robinson will be most happy to entertain prospective buyers and explain the manifold excellences of this wonderful car. He is located in handsome quarters at 306 East Broadway.

## MUSICAL TREAT

FINE SEMI-CLASSICAL PROGRAM AT TUESDAY AFTERNOON CLUB MEETING

A very delightful musical program was enjoyed by the Tuesday Afternoon Club this week as a substitute for the "Authors' Day" program, which was to have been given by Zona Gale. It was furnished by the Bierlich Trio, consisting of Julius Bierlich, violinist; Opid, cellist, and Miss Grace Bernard, pianiste.

The floral decoration was simple, but effective, in each window a purple jar containing a branch of peach blossoms and a yellow California poppy with a larger bowl of the same flowers on the platform.

The program included the following numbers: Serenade, Widor; Two Hungarian Dances, by Brahms; "Meditation" from Thaïs, by Massenet; "Humoresque," by Dvorak; "Serenade," by Schubert; "Barcarolle" from "Love Tales of Hoffman," by Offenbach; cello solo—Adagio, by Bargiel; "Heartsease," by Moret; "Melodie," by Friml; selection—Chaminade.

During a brief intermission a diversion was furnished by the charming solo dancing of little Virginia Mull, a pupil of Mrs. Pearl Keller. The little girl is not yet six years old, but her performance was wonderful and captivated an audience of mothers and grandmothers, many of whom in the rear of the hall stood, the better to observe her. Her first number, a "Vanity Dance," was followed by an Irish Jig and the "Highland Fling."

The meeting opened with the singing of "My Country 'Tis of Thee," and there were brief business sessions before and after the program in which reports of reciprocity meetings were given by Mesdames Von Oven, Mabel M. Rudy, C. E. Norton and A. D. Cross.

The general curator announced meetings of the sections and reported that the Shakespeare Section had been invited to give an "As You Like It" program in Downey.

Mrs. E. H. Willisford made an appeal for a Y. W. C. A. Drive in which the amount allotted to Glendale is \$100. She stated she was prepared to receive subscriptions.

The president, Mrs. Ramsey, made a similar appeal for the Salvation Army Drive, stating that the Executive Committee had appropriated \$10 from club funds for this Drive.

At the concluding business session the club adopted amendments to the constitution under which the responsibility for assembling materials for programs and printing them will be delegated to the second vice-president; also providing that the chairman of programs shall be appointed by the president.

A social hour followed during which tea and home-made cake were served by the Hospitality Committee with Mrs. Pulliam in charge.

## HOME OF RED APPLES

FORMER GLENDALE CITIZEN ENTHUSED OVER OUTLOOK IN YUCAIPA VALLEY

H. M. Overton, formerly in the real estate business in Glendale, was a visitor in the city yesterday. He has a fine apple ranch in the Yucaipa Valley, where the red apples grow. The valley contains about 15,000 acres, 6,000 of which are in apples—Winesap, Rome Beauty, Delicious, King David and Arkansas Black. The Bellefour is no favorite there, the Yucaipa ranchers holding firmly to the belief that the red apple brings the best price. They have their own co-operative packing house and dry house and market their own fruit, fresh and dried. They had a big yield last year and the prices received were very gratifying. The outlook for the present season is even brighter than last. The bloom is unusually heavy and the winter conditions have been exceptionally favorable. They have had fully 20 inches of snow and the mercury has not descended lower than 30. Just last week they had 5 inches of snow. They have their own big reservoir and irrigating system. A spur of the Southern Pacific is headed for the valley, which is only 9 miles north-east of Redlands, and an extension of the P. E. is already through the portal. Not only apples are raised in abundance here, but cherries also—Royal Anne, Black Tartarian and Bing.

## SEVENTY EXECUTIONS IN BUDA PESTH

MACHINE GUNS SWEEP THE STREETS WITH HEAVY CASUALTIES AND TRAVELERS FORBIDDEN TO LEAVE

(Special Service to Glendale Evening News)

Berlin, March 26.—Travelers arriving from Buda Pesth report bloody fighting has occurred in the streets there and that machine guns had swept the streets with high casualties resulting. Seventy executions are reported to have taken place.

Travelers were forbidden to leave Buda Pesth, but some slipped away before the guard was fully organized. Tension in Buda Pesth is high. Members of the British and French missions are held as prisoners, but are safe.

The Spartacans here are restless as a result of the radical successes in Buda Pesth.

## ASSASSINATION IN HUNGARY

COUNT KAROLYI, FORMER HEAD OF GOVERNMENT, SAID TO HAVE BEEN KILLED

(Special Service to Glendale Evening News)

London, March 26.—A news agency dispatch from Prague today said reports had reached there that Count Karolyi, former head of the Hungarian government, had been assassinated.

A Daily News dispatch from Vienna said that Karolyi had been placed under arrest.

## CZECHS OCCUPY RAAB

HUNGARIANS ORGANIZE "RED" ARMY TO DISARM UPPER CLASSES AND INTERN FOREIGNERS

(Special Service to Glendale Evening News)

Basle, March 26.—A Vienna dispatch today said that the Czechs had occupied Raab, an important city on the Danube, sixty-seven miles northwest of Buda Pesth.

A "Red" army is being organized in Hungary to disarm the upper classes. Former Hungarian Premier Wekerle has been arrested. All foreigners in Hungary, including Austrians, have been ordered interned.

## VERBIAGE OF LEAGUE TO BE CHANGED

PRINCIPLES WILL REMAIN THE SAME, BUT SOVEREIGN RIGHTS OF NATIONS WILL BE DEFINED

(Special Service to Glendale Evening News)

Paris, March 26.—Reliable information has been secured that the verbiage of the League of Nations covenant will be entirely changed from the original form when the document is brought before the plenary meeting of peace delegates. The general principles will not be altered, but recognition of the sovereign rights of the various nations will be more definitely defined.

Unless some government objects, the revised covenant will carry a specific guarantee of the Monroe Doctrine, although it will not mention the doctrine specifically.

It is believed that provisions explaining the necessity for unanimous decisions by the house of delegates will overcome the objections of Senator Borah that England, through the votes of her colonies, will dominate the league.

It was stated authoritatively today that a preliminary treaty, embracing all the enemy governments, is now being planned as a means of speeding peace as a result of the Bolshevik crisis. It had been the intention to have a separate treaty with each enemy country. It was pointed out that the new plan may cause some immediate delay, but it is believed it will gain time in the end. Many delegates are advocating the conclusion of an immediate peace along business lines, leaving the details to the League of Nations.

## HEAD OF IRISH GOVERNMENT STILL HIDING

(Special Service to Glendale Evening News)

Dublin, March 26.—Prof. Edward de Valera, the Sin Fein leader, announced it will be impossible for him to make his scheduled public appearance today. It was announced that Valera would come today from hiding and take over his duties as head of the new Irish government.

## WAR LOANS TO FINANCE RAILWAYS

(Special Service to Glendale Evening News)

Washington, March 26.—It was announced today that the railway administration will be financed through direct loans by the war finance corporation until Congress passes the necessary appropriation bills.

## CALIFORNIANS ARRIVE ON "FRANCESCO"

(Special Service to Glendale Evening News)

New York, March 26.—The transport "Francesco" arrived today with Casual Company 1929, composed of Californians.

### "CALIF." OR "CAL."

Sacramento, March 26.—Assemblyman Allen of Ontario has introduced a resolution asking the postmaster general to rescind the order designating "Calif." as the official abbreviation for California.

## STOOD BY THE ARMY

CITIZEN RELATES HOW HE PREVENTED ARREST OF SALVATION ARMY WORKERS

Mr. L. W. Babcock of 413 North Jackson relates an interesting experience of his in connection with the Salvation Army. It happened a good many years ago when he lived near Trinidad, Colo. In those days the Salvation Army was greatly misunderstood and suffered a great deal of persecution. Members were arrested while holding worship on the streets of cities, charged with disturbing the peace. Mr. Babcock heard one day that a Salvation Army band that had been working and worshipping in wicked Trinidad were to be arrested. He knew of the good work done by these devoted people particularly among the down and out and he determined that this great wrong against them must not be permitted. So he drove the 13 miles to Trinidad, sought out the officer in charge of the Salvation Army band, and enrolled himself as a member. Then he went to the sheriff, who was a warm friend of long standing and told him that the band must not be arrested and jailed. He recounted their good works and defied anyone to point to a single wrong or unlawful act they had ever been guilty of. He further told the sheriff that he (Babcock) was a member of the band and if they were arrested he would share their fate. They were not arrested. The prejudice against this great army of devoted workers has long since disappeared and were such an attempt made now thousands of grateful doughboys would spring to their aid and dare an officer to lay hand on them.

## RACE FOR A HOUSE

EAGER BUYERS IN RIVALRY FOR PURCHASE OF ATTRACTIVE BUNGALOW

A three-line ad in the Evening News, by Mrs. F. W. Pigg, 634 N. Kenwood, brought an avalanche of replies and resulted finally in a brisk race between two purchasers. A local real estate man had an eager customer in tow, but he was distanced by W. D. McRae, local Y. M. C. A. official, who read the ad last night, went to see the house early this morning, then raced to consummate a deal when he heard his rival was hot on the trail. In just sixteen minutes he came from his home to the bank, drew out the money to bind the purchase, which was an all-cash deal, then hurried to the home of the seller. He had no sooner signed the agreement than his rival hove in sight, but too late. Keen rivalry such as this shows the great demand for Glendale homes.

### "CAMP KEARNY" EVENING

The first of a series of "at homes" welcoming the men in the service as they come home from the different camps and fields will be given at the Presbyterian Church tomorrow (Thursday) evening, at the church from 8 to 10 o'clock. Every soldier and sailor is invited to come and bring any friends he wishes to have enjoy the evening with him. The Christian Endeavor, which has charge of the program, is planning a good time for everyone, and hoping that a large number of both guests and church members and congregation will be able to attend and help make the evening a success.

### 16 SIMULTANEOUS SOCIALS

Tonight in sixteen different homes among the members of First Methodist Church there will be held social gatherings for the cultivation of friendship, prayer and service. The following families have opened their homes for the evening: A. J. Shepard, 435 Pioneer Drive; G. H. Jordan, 223 Hawthorne; J. G. Peart, 111 East Elk; L. W. Babcock, 413 N. Isabel; E. W. Arnett, 311 N. Jackson; C. W. Ingledue, 501 E. Wilson; T. A. Wright, 141 N. Louise; C. E. Russell, 122 S. Louise; Mrs. I. E. Weaver, 402 East Harvard; W. A. Burns, 416 Piedmont; Henry Johnston, 111 N. Everett; J. H. Lord, 210 South Cedar; J. N. McGillis, 1003 E. Lomita; Ed M. Lee, 345 N. Belmont; Daniel T. Keim, 342 W. California Ave.

One feature of the evening in each home will be a five-minute address by a Methodist Minute Man. All the Minute Men of First Church and a number from other Methodist Churches of Glendale and Eagle Rock will be speakers.

These social gatherings are a part of the Methodist Centenary Movement now in progress in Methodist Churches throughout the world.

## REPORT OF PROGRESS

VERY ENCOURAGING MEETING OF GREATER GLENDALE DEVELOPMENT ASSOCIATION

Despite the fact that the important S. A. Drive meeting Tuesday night drew many active members of the Greater Glendale Development Association away from their usual evening discussion of plans for developing our beautiful city, under the direction of Messrs. Norton C. Wells, chairman, and C. D. Lusby, secretary, a live and interesting session was held last evening at the Intermediate School Library.

The progress of plans for adding to the beauty and civic attractions of Glendale was reported and discussed. Mr. Chas. L. Chandler of the Committee on Motor Camps mentioned an excellent location, close to the San Fernando Road, which may be secured very shortly.

The Memorial and Park Committee had no official report to make, but Dr. Henry R. Harrower told of some of the work which had been done by Prof. Richardson D. White's committee during a 2½-hour session Monday evening. Plans are materializing, options have been secured on nine-tenths of the property in mind and it seems that at last something is really being done to secure a centrally-located park and recreation center. Some matters about the engineering difficulties of building a large swimming pool, and also regarding the demands of the State Board of Health as to sanitation, were mentioned, and it was stated that every step would be mapped out, all costs be estimated as nearly as possible and everything done as completely as possible, before the matter comes up for final consideration.

City Attorney W. E. Evans expressed the opinion that the bond election for certain essential water improvements should be combined with the necessary election for the Memorial and Park Bonds.

It was stated that Mr. White would call the large "Committee of Seventy," representing practically every church, school, club or lodge in Glendale—the same representative and enthusiastic body of men and women who recently were invited to join with the G. G. D. A.'s Memorial Committee to develop this important project—for further study of the matter next Monday evening.

Mr. W. B. Kirk has in hand some manuscript for an advertising folder which will shortly be printed and 10,000 of which will be sent out without expense for addressing and postage, to a large list of professional men. "This looks like real business" as one remarked—and it is! The Greater Glendale Development Association deserves a much larger membership. There are no dues, nor severe entrance requirements. Prospective members must be residents of Glendale and have the interests of our home city sufficiently at heart to be willing to BOOST. Memberships can be given in person or sent by mail to C. D. Lusby, Glendale Savings Bank. Why not join, and PUSH AHEAD?

## TO FORM LOCAL UNIT

SERVICE MEN OF LOWER SAN FERNANDO VALLEY D.C. TO FORM LOCAL ORGANIZATION

The meeting last night in Elks' Social Hall took rather an unexpected turn. It was called for the purpose of forming a local "Dugout" to be affiliated with the Allied World War Veterans, but the boys present decided after a great deal of discussion, to form a local organization and then decide on affiliating with a higher order. Capt. Dru Nicoles called the meeting to order and stated its object. He also said that since he agreed to preside at the meeting he had learned of another organization, of national scope, only, instead of international, and that the claims of both should be carefully considered. Don Campbell, organizer for the Allied World War Veterans, then stated the objects of his order, its scope and its facilities for aiding ex-soldiers of the World War in securing proper recognition, redress of grievances, adequate pensions and proportionate representation in the law-making bodies of the land. Captain Phelps, G. A. R. man, Sergeant Rush and Sergeant Bates, all of Los Angeles, also spoke in highest terms of the Allied order and urged the immediate formation of a local "Dugout." Capt. Scott of Los Angeles gave a brief outline of the National Service League's objects and advised

(Continued from Page 1)  
a thorough investigation of both or-  
ders before coming to a final decision.  
A number of the local men followed  
in brief talks, among them Capt.  
Weisenheimer, J. F. McBryde, W. B.  
Kelly, Dr. Flint, Jesse Smith, Prof.  
White and Wm. Bode.

The consensus of opinion seemed  
to be, finally, that a local organiza-  
tion is all that should be attempted  
at present and that later it would be  
decided what further steps to take.  
So, to make things straight in a par-  
liamentary sense, the meeting called  
in the interest of the Allied World  
War Veterans was adjourned, on  
proper motion, duly seconded and  
carried unanimously. Then a tem-  
porary organization of local service  
men was effected, Capt. Nicoles being  
elected chairman and W. B. Kelly,  
secretary. J. F. McBryde moved  
that a committee of five be appointed,  
the chairman to head the same, to  
present a statement, at the supper in  
the First M. E. Church Friday night,  
of the proceedings of this meeting,  
with a recommendation that a meet-  
ing be held in Elks' Social Hall next  
Tuesday evening to perfect an or-  
ganization of all service men in Glen-  
dale, Eagle Rock and Burbank and  
take what steps are deemed necessary  
looking toward affiliating with some  
national or international order. This  
was carried unanimously. The com-  
mittee consists of Capt. Nicoles,  
chairman; J. F. McBryde, Dr. Flint,  
Prof. White and Capt. Weisenheimer.

The meeting then adjourned,  
after a cordial invitation had been ex-  
tended to all service men of Glendale  
and vicinity to attend the supper at  
the First M. E. Church Friday night.  
During the course of the meeting  
Bert Woodard, Exalted Ruler of the  
Elks, gave the boys a hearty invita-  
tion to the Elks' Social Hall at any  
time they wished to hold a meeting  
and made an earnest appeal for the  
Salvation Army Drive. Capt. Nicoles  
made an ideal chairman, being  
fair in his rulings and strictly impar-  
tial.

Lieut. Norman Manning, formerly  
manager of the Diando Film Corpora-  
tion and now with the Universal, was  
a guest and was called on for a  
speech. He responded in a very hap-  
py vein and fairly brought down the  
house with his sallies of wit. He  
has been with the Royal Flying  
Corps, enlisting in Canada.

**EASTERN STAR CARD PARTY**

Another pleasant social function  
has been announced by Glen Eyrie  
Chapter, O. E. S., a card party, to  
take place at Masonic Temple Thurs-  
day evening, March 27th. All mem-  
bers of the chapter and their friends  
are invited.

**FIRST AID CLASS**

Books for the First Aid Class have  
been received at Red Cross  
headquarters and the class will  
have its first lesson there Fri-  
day evening, March 28th, at  
7:30, Dr. Boyer acting as instructor.  
All persons interested in taking this  
course should report to the Red Cross  
and register for the class.

**CHANGE IN DEBATING LINEUP**

Prof. W. D. Root, in charge of de-  
bating at Glendale Union High, is  
just in receipt of a communication  
from Pomona High stating that its  
team will not be able to debate owing  
to the unsettled condition of the  
school. The Glendale and Santa  
Monica teams will therefore debate  
here April 4th.

**MOONSHINERS ON THE JUMP**

ATLANTA, Ga., March 26.—The  
operation of moonshine stills in the  
Blue Ridge mountains has become  
such a perilous undertaking that  
none but the most desperate and hard-  
ened followers of the game are  
keeping at it, according to internal  
revenue officers.

There was a time when a moon-  
shiner could go into a mountain cove,  
pitch his still by the side of a crystal  
brook and leisurely and peacefully  
make his liquor. He took his time,  
and made good liquor. He filtered it  
through charcoal to eliminate the  
fuss oil. He strained it through  
layers of flannel cloth to make it  
smooth and pure. That was the  
"mountain dew" that could be im-  
bibed without a chaser and with no  
fear of a headache on the morrow.

But now that's all changed, reve-  
nue officers say. Officials are stalk-  
ing the moonshiners day and night.  
The operator of an illicit still has no  
time to make good liquor. He pitch-  
es his outfit one day and is gone the  
next. He is forced to use chemicals  
to speed up the processes of distill-  
ing.

**MARSHAL FOCH A CATHOLIC**  
Glendale, California,  
Dear Mr. Editor:—  
In the story of Marshal Foch, taken  
from the Los Angeles Times, it  
does not speak of the great general  
as a Catholic, but always as a Chris-  
tian. A Glendale preacher also re-  
ferred to Marshal Foch recently in a  
sermon as a Christian.  
Marshal Foch is a Catholic, born  
of Catholic parents and fostered on  
Catholic traditions. He received his  
entire education in Catholic schools.  
In the days when he was head of the  
great French military school the  
Marshal was a daily communicant.  
Even now, amid the uncertainties of  
active life in the field, he receives  
Holy Communion whenever possible,  
and that is usually two or three  
times a week. It is to the Catholic  
Church he goes in the presence of  
the Blessed Sacrament or the shrine  
of his blessed Mother Mary that this  
great soldier of Christ finds strength  
and light.

By the way, one of our Glendale  
boys in a letter from "over there,"  
published in the "Glendale News,"  
mentions wonderingly that "in all  
the towns of France he was in there  
is only one church and that is the  
Catholic Church."

The Los Angeles Times asks the  
question: "Can a man who is a prac-  
tical soldier be also a practical Chris-  
tian?"

The Times answers in the affirma-  
tive. It is sometimes asked: "Can  
a Catholic be a great soldier, a great  
patriot?" Marshal Foch is the an-  
swer. Yours very truly,  
JAMES S. O'NEILL,  
Pastor Holy Family Catholic  
Church.

**EXODUS FROM FARLANDER HOME**

Mrs. W. E. Farlander of 354 Riv-  
erdale Drive is bereft. Last night  
Mr. Farlander left for La Porte, In-  
diana, to be gone for several weeks,  
and this morning her parents, Mr.  
and Mrs. J. W. Stevens, of Boston,  
and her aunt, Mrs. Dobson, of Salem,  
Mass., left for the Atlantic coast. Mrs.  
Stevens has been with her daughter  
for about a year. Mr. Stevens and  
Mrs. Dobson joined her here in Feb-  
ruary. It was Mrs. Dobson's first  
visit to this coast and was full of in-  
terest for her. It leaves Mrs. Far-  
lander rather lonesome to lose so  
many at once.

**HOME FROM HONOLULU**

Sergeant Wm. R. Anderson of 126  
North Louise arrived at home last  
Friday from Honolulu, where he had  
been training drafted men for many  
months when the war closed. He  
was a member of the old National  
Guard up to March, 1917, when he  
took his discharge. When war was  
declared a month later, he volun-  
teered with Company H, First U. S.  
Regulars, Thirtieth Division, and  
was sent at once to Camp Lewis,  
where he spent eight months drill-  
ing recruits, and was then transfer-  
red to Honolulu.

**THE CLOTHING DRIVE**

The big drive for clothing for the  
"liberated nations of Europe" is on  
today in the schools of Glendale, and  
it will probably yield an excellent  
harvest to the Red Cross committee  
having this matter in charge. In the  
high school two teams, ably cap-  
tained, one of girls and one of boys,  
were organized Monday and there  
were indications that their competi-  
tion would be sharp. Mr. Rowley re-  
ports that a good start has been  
made on clothing for women and chil-  
dren, and he is confident that the  
quota assigned Glendale will be met  
if every citizen does his or her duty.

A copy of a telegram from Her-  
bert Hoover, reporting conditions in  
the impoverished countries allied  
with the United States in the war,  
has been forwarded to the local chap-  
ter. He says that the sickness and  
death of thousands is directly attrib-  
utable to insufficient clothing and to  
conditions which cannot be imagined.  
In Serbia new-born babies are  
wrapped in paper for want of need-  
ed clothing, and men, women and  
children are going about barefooted  
and insufficiently clad. Some are  
confined to their homes for lack of  
garments to cover them. Mr. Hoover  
says:  
"I cannot urge the American peo-  
ple too strongly to give of their  
abundance for the relief of the suf-  
fering and starvation in the liberated  
territories which has been undergone  
by people who for the most part were  
allies with us in a great cause and  
who have suffered for that cause far  
more severely than the American  
people."

Every citizen who has not contrib-  
uted is urged to go through chests  
and closets and find something strong  
and substantial in the way of cloth-  
ing which can be spared.

**HE WAS IN FRANCE**

Frank Carmargo of 119 North Bel-  
mont arrived at home Tuesday from  
overseas with the 55th Ammunition  
Truck Train. The command he was  
with was particularly unfortunate,  
never getting away from the vicinity  
of Brest. They were in quarantine  
during almost their entire stay in  
France.
